Dear NA member,

This service resume will be considered personal and confidential. As such, it will be distributed only to SWATL ASC voting participants, and will be collected and destroyed at the close of the meeting, or when the seat you have been nominated for has been elected.

Before you complete this resume, the ASC would like to let you know a little more about service at the Area level. The position for which you may be nominated will require that you make a commitment of at least one year. This means that you may be asked to make a considerable investment of your time. You may be asked to attend Area Service Committee meetings, subcommittee activities, and fulfill the requirements of the position you serve. You may also have to spend some of your personal funds in order to fulfill some of your responsibilities. Certainly, you will have work to do at home in your spare time, such as reading or writing reports, and discussing the plans and objectives of your work with other members of your committee. In addition, you may have to make several phone calls to other Trusted Servants.

In order to provide our fellowship with the very best level of service possible, we ask that you carefully consider all the responsibilities that go with the elected position for which you may be nominated. You may wish to consult your employer, family, and /or sponsor. Talking with members who have served at the Area level may also be helpful for additional insights. Service at this level has many rewards and may have a profound effect on your life and personal recovery. However, it does not come without hard work, long hours, dedication and personal sacrifice.
